Product description

Feminil + is a food supplement specially indicated to awaken women's libido, increase desire and pleasure and maintain more intense sexual relations, all in a simple, safe and natural way. It regulates the hormonal balance and favors vaginal lubrication, in addition to providing greater sensitivity to the area. With Feminil + you get:

- Increase female libido
- Have more pleasurable sex
- relieve itching
- decrease dryness
- stimulate the nervous system
- increase energy
- aphrodisiac effect
- Regulates estrogen levels during menopause

MAIN NATURAL INGREDIENTS

Feminil + is made up of high-quality natural ingredients that guarantee optimal treatment results. Each capsule contains more than 87% natural active ingredients. It is a food supplement free of artificial colors, preservatives and sweeteners, 100% vegan and free of gelatin of animal origin.

- MACA Powerful natural aphrodisiac that acts as an energizer and hormonal regulator. Thanks to its high protein and nutrient content, it promotes fertility, increases female libido and enhances sexual desire.
- L-ARGININE Vasodilator that improves blood flow and ensures relaxation of the clitoris, causing increased blood flow in the area. This achieves greater sexual potency and pleasure in relationships. It acts as a natural lubricant.
- SAFFRON Known as "the true natural aphrodisiac" helps to increase desire and female sexual function, increasing lubrication and arousal and eliminating the sensation of pain.
- RHODIOLA Known as "The Golden Root", rich in adaptogenic, anti-fatigue, antioxidant and antidepressant properties that also works as a sexual stimulant.
- It also contains Zinc and Ginkgo Biloba

FEMINIL+ BENEFITS

Feminil +, is a natural food supplement so it works in the body without contraindications, it does not contain gluten, lactose or other allergens. Its natural ingredients have been particularly chosen since its beneficial properties have been scientifically proven to strengthen female sexuality and sexual desire.

- INCREASE FEMALE LIBIDO Feminil + capsules help improve blood circulation, so the vaginal area relaxes, thus increasing lubrication and favoring increased libido.
- IMPROVE SEXUAL RELATIONSHIPS As a result of a greater sexual desire and better lubrication of the intimate area, relationships are much more pleasant and satisfying for both parties.
- CONTROL HORMONAL LEVELS These capsules also help keep hormone levels under control, especially in the

menopausal stage, as they regulate and improve estrogen levels.

RECOMMENDATIONS

- **INDICATION** 1 capsule should be taken every day, in the morning or at night (always at the same time), to notice the effects progressively carrying out a prolonged treatment. Orally.
- **CAUTION** If you suffer from diseases such as allergies, tension problems, heart problems, diabetes or if you are taking antidepressants, it is necessary to consult a specialist before taking Feminil +
- **WARNING** It is not recommended for pregnant or lactating women. In addition, you must be over 18 years of age to purchase and take the capsules.

HOW SHOULD IT BE TAKEN?

- Feminil + is a nutritional supplement that does not improve its effects when taken in larger quantities. Otherwise, it can be counterproductive.
- Take one capsule daily in the morning or at night, but always at the same time. Orally.
- Prolong the long-term treatment to obtain truly effective results.
- It is advisable to complement the Feminil + treatment with Feminil Lube, a vaginal lubricant that enhances arousal and sexual desire with immediate effect.
