Product description

U-Breast Cream is a breast enlargement and firming cream that will give you fuller, firmer, smoother and more hydrated breasts thanks to its natural ingredients, such as the star components CellActive®-FORM a plant-based complex that activates the accumulation of lipids in the breast area and reshapes the contour of the neckline and Homeostatine™ an active ingredient that regenerates the skin in the bust area, giving it firmness and elasticity, as well as hyaluronic acid and oat extract, among others.

This cream also contains phytoestrogens, which are plant compounds similar to female estrogens and help control hormonal levels, especially during menopause.

With U-Breast Cream you will regain confidence and self-esteem thanks to the progressive improvement of your figure:

- The volume of the breasts increases by 7% after one month of treatment and by 13% after the first trimester.
- The breasts become 10% firmer and firmer after using them for at least 28 days. days.

How to use: Apply the cream twice a day, in the morning and at night, massaging the breast, avoiding the nipple.
