Product description

U-INTEST Pills is a dietary supplement in capsules that helps prevent and reduce internal and external hemorrhoids naturally.

They are made from natural ingredients with anti-inflammatory, draining and beneficial properties to regenerate the intestinal flora and the digestive system, helping to prevent constipation.

U-Hemo Pills capsules are made from natural ingredients responsible for improving the digestive system and the flora in general, strengthening the walls of the blood vessels and tissues of the anus.

Dosage: 2 capsules should be taken daily. It is a dietary supplement that does not improve its effects when taken in larger quantities. Otherwise, it may backfire.

When to take: It is recommended to take U-Hemo Pills on a full stomach, one pill in the morning and one pill at night.
