Product description

The Addicted Toys S-Size Anal Plug is an ideal choice for those looking to explore anal stimulation with a larger volume design and an intensified experience. With a size suitable for those who already have some experience in the practice of anal stimulation, this plug offers a sensation of controlled fullness, thanks to its ball-shaped design, providing a satisfying and comfortable experience.

Features of the Anal Plug:

- Total height: 103 mm, allowing a deep but controlled insertion.
- Maximum width: 63 mm, ideal for those looking for greater expansion with a manageable size.
- Insertable length: 93 mm, allowing a controlled penetration without being excessive.
- Thickness of the lower ball: 29 mm, providing a moderate and pleasant feeling of fullness.
- Top ball thickness: 29 mm, ensuring progressive expansion for more intense stimulation.

This plug has an insertable length of 93 mm, offering a satisfying sensation of penetration for those looking for a controlled challenge. Its ball-shaped design ensures gradual expansion, improving the insertion experience and providing a higher level of satisfaction.

Material and Design:

Made from high-quality medical silicone, the plug is soft to the touch, flexible and safe for the body. The soft, smooth texture makes insertion easy, while its ball shape increases pleasurable sensations by going from less to more in thickness.

Use and Pleasure:

This plug is ideal for those looking to experience anal stimulation safely and pleasurably, with a design that provides more intense sensations of expansion and filling. Its size is suitable for those who have already tried smaller plugs and want to take a step further towards a more complete anal experience.

Recommendations:

It is recommended to use water-based lubricant for a more comfortable and smooth insertion. In addition, its material is easy to clean, ensuring proper hygiene after each use.
