Product description

The Addicted Toys Model 2 Anal Plug with Ring is an ideal option for those looking for a more intense and controlled anal stimulation experience, with an innovative design that combines a deep penetration plug with a testicle ring. This product provides a feeling of fullness and additional control, making the experience more pleasurable and safe.

Features of the Anal Plug with Ring Model 2:

- Total height: 197 mm, offering a suitable size for those looking for a deeper and more satisfying experience.
- Height outside the ring: 153 mm, with a comfortable length outside the ring for easy handling and control.
- Insertable length: 105 mm, allowing deep and controlled penetration without being excessive.
- Bottom thickness: 27 mm, providing gradual and comfortable expansion during insertion.
- Superior thickness: 30mm, ideal for those looking for a greater feeling of fullness and expansion while maintaining control.

The ring design is perfect for those looking to enhance testicle stimulation, providing extra pressure that intensifies sensations during use. The ring also helps to keep the plug in place during use, ensuring a stable and comfortable experience.

Material and Design:

Made from high-grade medical silicone, the plug is soft, flexible, and completely body-safe. Silicone is hypoallergenic, easy to clean and ensures a comfortable and pleasurable experience, while the flexibility of the product allows for a proper fit.

Use and Pleasure:

This plug with ring is ideal for those who want to experiment with anal stimulation in a deep and controlled way, while enjoying extra pressure on the testicles. Its ergonomic design is suitable for both beginners and more experienced users looking for a more intense sensation.

Recommendations:

It is important to use water-based lubricant for smooth and comfortable insertion. After each use, be sure to clean the product properly to maintain optimal hygiene and ensure its durability.
