Product description

The Addicted Toys Model 3 Anal Plug with Ring is an excellent option for those looking for a deeper and more controlled anal stimulation experience, combined with a testicle ring that intensifies the sensations. This unique design offers a controlled sensation of fullness while keeping the plug in place, improving stability and comfort during use.

Features of the Anal Plug with Ring Model 3:

- Overall height: 195 mm, providing a suitable size for those looking for satisfactory penetration without being excessively long.
- Height outside the ring: 147 mm, ensuring a compact but effective design, providing ease of handling.
- Insertable length: 90 mm, allowing for deep and controlled penetration, ideal for those who already have some experience in anal stimulation.
- Bottom thickness: 28 mm, offering a gradual expansion for a pleasurable and controlled sensation during insertion.
- Superior thickness: 33 mm, ideal for those who want a more intense and satisfying feeling of fullness.

The ring is designed to fit around the testicles, providing extra pressure that can increase feelings of pleasure and control during use. It also helps keep the plug in place, preventing it from slipping during practice.

Material and Design:

Made from high-quality medical silicone, the plug is soft, flexible and completely body-safe. Silicone is hypoallergenic, easy to clean, and provides a comfortable and pleasurable experience.

Use and Pleasure:

This plug with ring is perfect for those looking to explore anal stimulation with a design that not only allows for deep penetration, but also additional control over the testicles. It is suitable for those with experience in anal stimulation who are looking for a more intense and controlled sensation.

Recommendations:

For smooth insertion, the use of water-based lubricant is recommended. After each use, be sure to clean the product thoroughly to maintain proper hygiene and ensure its durability.
