Product description

The Addicted Toys Model 4 Anal Plug with Ring is an excellent choice for those looking for a more intense and controlled anal stimulation experience, thanks to its unique design that combines a deep penetration plug with a testicle ring. This design provides a feeling of fullness while keeping the plug secure and in place, offering additional control during use and a more pleasurable experience.

Features of the Anal Plug with Ring Model 4:

- Total height: 204 mm, a suitable size for those looking for deep stimulation without being excessively long.
- Height outside the ring: 156 mm, providing a practical size for optimal handling and control.
- Insertable length: 90 mm, ideal for those who want a satisfying penetration, providing a moderate but controlled challenge.
- Bottom thickness: 28 mm, providing a sensation of gradual expansion during insertion, for a comfortable and progressive experience.
- Inner thickness: 32 mm, providing a greater sensation of fullness in the internal area, ideal for those looking for a more intense experience.
- Upper thickness: 27 mm, ensuring that the plug remains comfortable and secure during use, while offering additional pressure on the testicles.

Material and Design:

The plug is made of high quality medical silicone, which is soft, flexible and completely safe for the body. Silicone is hypoallergenic, easy to clean and ensures a comfortable, pleasurable and safe user experience.

Use and Pleasure:

This anal plug with ring is ideal for those looking to experience deeper and more controlled anal stimulation, while enjoying additional pressure on the testicles, which enhances the sensations of pleasure and control. It is suitable for those who already have experience in anal stimulation and are looking for a greater feeling of fullness and control.

Recommendations:

For a more comfortable and smooth insertion, it is recommended to use water-based lubricant. After each use, be sure to clean the product thoroughly to maintain proper hygiene and ensure its durability.
