Product description

The 18cm anal stimulator from Addicted Toys is a perfect option for those who want to explore anal stimulation in a controlled and pleasurable way. With an ergonomic design and a structure that varies in thickness, this stimulator is made for those looking for a deep and satisfying experience, with a size suitable for those who already have some experience.

Features of the 18 cm Anal Stimulator:

- Overall height: 180 mm, an ideal size for those looking for a full experience without being too long.
- Bottom thickness: 25 mm, providing a moderate initial expansion for a comfortable fit during insertion.
- Middle thickness: 14 mm, offering a softer and more progressive sensation as penetration progresses.
- Upper thickness: 36 mm, for a more intense and satisfying sensation. satisfying by reaching the deepest part of the stimulator.
- Upper height: 53 mm, which ensures that maximum expansion occurs gradually and comfortably.

Material and Design:

This anal stimulator is made of high quality medical silicone, a soft, flexible and completely safe material for the body. Silicone is hypoallergenic, easy to clean, and offers a comfortable and pleasurable experience without health risks. Its ergonomic design ensures a perfect fit, allowing for a comfortable and controlled experience.

Use and Pleasure:

Ideal for those who wish to experience anal stimulation progressively, this stimulator provides a sensation of expansion and fullness as it is inserted, without being excessively large. It is perfect for those who have already tried smaller toys and are looking for something more challenging, but controlled.

Recommendations:

It is recommended to use water-based lubricant for a smoother and more comfortable insertion. After each use, be sure to properly clean the stimulator to maintain optimal hygiene and ensure its durability.
