## Product description

Discover a new dimension of pleasure with the **Addicted Toys** vibrating ring, an accessory designed for couples seeking intense, innovative, and completely irresistible experiences. Its ergonomic design and multiple functions make it a must-have for those who want to enjoy mutual stimulation and prolong the pleasure for both partners.

This ring features a super-powerful motor that offers 9 different vibration modes, from gentle pulsations to deep, enveloping vibrations. It also features a heating effect function, which gradually raises the temperature to mimic body heat and increase the sensation of realism and pleasure during use.

The wireless remote control allows for a completely free and comfortable experience, ideal for couples play, whether in the privacy of the bedroom or for more daring moments. Let your partner take control and experiment with the different vibration modes without interruptions.

Made with super-soft medical silicone, this ring is body-safe, phthalate-free, and completely flexible, comfortably adapting to the contours of the penis. Its closed design helps maintain a firmer, longer-lasting erection while stimulating the clitoris or perineum, depending on how it's used.
