Product description

The anal dilator will open a new range of possibilities within your sexual life. The anal tunnel incorporates two joined rings of different sizes. It starts with the smallest and gets wider the further you put it in! The hollow tube allows you to combine this butt plug in different ways!

When you have inserted the plug you can insert vibrators, lubricants or any other object that you like through the hole.

The anal dilator tunnel has a length of 102 mm and a maximum thickness of 57 mm.

It is also perfect as a penis enlarger anal tunnel.
