Product description

Experience a new form of intense pleasure with the **Addicted Toys** oscillating prostate massager with pulsation mode, specially designed to stimulate the P-spot (prostate) with precision, power, and total comfort. Its advanced technology combines vibrations, oscillations, and pulsations to offer a completely immersive experience that surpasses any traditional massage.

Equipped with a powerful motor and an oscillating head, this massager provides dynamic internal stimulation that simulates the natural movements of a manual massage, reaching the P-spot with maximum effectiveness. It also features a pulsation mode, which alternates vibrations to create a rhythmic and deep sensation, perfect for intensifying pleasure and prolonging arousal.

The device features 10 different vibration modes, which you can easily adjust using its wireless remote control, ideal for enjoying play with a partner or for more comfortable solo use. The remote allows you to switch between functions without interrupting the experience, giving you complete freedom and control over the intensity and rhythm of pleasure.

Made with super-soft medical silicone and high-quality ABS, this massager is body-safe, phthalate-free, and completely flexible, ensuring a pleasant and safe insertion. Its velvety surface offers a delicate and silky touch, while its anatomical shape adapts perfectly to the male anatomy to simultaneously stimulate the prostate and perineum.
