Product description

Explore new sensations and take your pleasure to the next level with the **Addicted Toys** P-spot vibrating cock ring, a technological jewel of male pleasure designed to offer intense, precise, and fully customizable stimulation. This device combines power, ergonomics, and comfort, guaranteeing a unique experience both solo and with a partner.

With its super-powerful dual motor, this vibrating ring simultaneously stimulates the penis and the P-spot (prostate), generating waves of pleasure that run throughout the entire body. Its curved, flexible design makes it easy to reach the most sensitive erogenous zones, while the 10 vibration modes offer a wide variety of rhythms and powers to suit all tastes and intensity levels.

Thanks to its wireless remote control, you can enjoy a completely free and comfortable experience, without interruptions. The remote control turns every session into an exciting game, allowing your partner to direct the pace of pleasure or for you to explore the different functions in complete autonomy.

Made with ultra-smooth medical silicone combined with high-quality ABS, the material is body-safe, phthalate-free, and very pleasant to the touch. Its smooth, silky texture guarantees a soft and comfortable insertion, while its anatomical design ensures effective P-spot stimulation and a perfect fit around the penis.
