Product description

The Addicted Toys cock cage ring is an accessory designed to provide a feeling of support and control, ideal for those looking to prolong their erection and increase the intensity of pleasure. Its cage-shaped design allows for balanced pressure distribution, ensuring a comfortable and safe experience.

Key Features:

- Overall height: 69 mm, offering optimal coverage for a secure fit.
- Overall width: 50 mm, providing stability without compromising comfort.
- Testicular socket diameter: 35 mm, allowing for a firm hold but without discomfort.
- Rectangular socket width: 37 mm, providing enough space for penis placement.
- Rectangular socket height: 21 mm, ensuring a precise fit without generating pressure excessive.
- Height of the testicle ring hole: 17 mm, designed to keep the cage in place without slipping.

The cage-like design allows for a unique combination of restriction and stimulation, offering a firm fit while maintaining comfort during use. Made from a durable and flexible material, it makes it easy to put on and adapt to different sizes.

Recommendations:

For a better experience, the use of lubricant is recommended when placing it. In addition, its material is easy to clean, guaranteeing proper hygiene after each use.
