Product description

The Addicted Toys Cock Ring with Ball Dividers is designed to provide a firm and secure fit, enhancing erection and increasing stimulation by dividing the testicles into individual sections. Its multi-ring design allows for versatile placement, providing different levels of pressure to intensify the experience.

Key Features:

- S Ring Diameter: 31mm, designed to hold firmly without causing discomfort.
- M Ring Diameter: 31mm, offering a comfortable and secure fit.
- L Ring Diameter: 37mm, ideal for added support without compromising comfort.
- XL Ring Diameter: 47mm, providing extra stability around the penis and testicles.
- Overall Height: 201 mm, allowing for even pressure distribution.
- Overall width: 90 mm, ensuring an ergonomic and functional fit.

The design with testicle dividers allows each part to be separated and held precisely, helping to intensify sensations and prolong erection. It is made of flexible and resistant material, ensuring comfort and safety during use.

Recommendations:

The use of lubricant is recommended to facilitate the placement of the ring and improve comfort. In addition, its material is easy to clean, ensuring optimal hygiene after each use.
