What should I keep in mind when using anal toys?

To achieve an optimal experience and to be able to enjoy it in a pleasant way and without feeling pain, Addicted toys recommends the use of Black Hole brand lubricants

In order for you to enjoy the anal toy for as long as possible, we advise you to clean and disinfect it with a toy cleaner before and after each use. The Waterfeel Spray Disinfectant composition adapts to soft silicone and is gentle on the material so that the surface remains smooth and flexible.

Safety Guide

Safe Anal Play

Never use a dildo without a flared base for anal play – it can get lost! Use plenty of lubricant, start slowly, and stop if you feel pain.

Clean your anal dildo thoroughly after each use with soap and water or a toy cleaner.
