Product description

The Addicted Toys Penis Sleeve in size M is designed to cover the penis and provide an increase in both length and girth, offering an enhanced experience during sexual intercourse. This product is Made from high quality transparent material, allowing you to view the usage process without distractions, whilst enhancing sexual performance safely and comfortably.

Key Features:

Size and Measurements:

- Total length: 270mm (27cm), providing a considerable extension for those looking to temporarily lengthen their penis during intercourse.
- Insertable length: 210mm, allowing for deeper penetration, which is ideal for those looking to increase the intensity of their relationships.
- Insertable length: 140mm, offering a comfortable and secure fit.

Thickness and Diameter:

- Sheath thickness: 49mm, giving a significant increase in penis girth, providing a feeling of greater volume for both the user and their partner.
- Testicle diameter: 49mm, designed to comfortably wrap around the testicles, ensuring that the sheath fits without causing discomfort.
- Pubis diameter: 56mm, ensuring that the base of the sheath fits tightly to the pubic area, preventing slippage and providing stability during use.

This type of sheath is ideal for those who want a quick and effective increase in size, without the need for surgical interventions or expensive treatments. Its flexible and adjustable material provides a natural experience, improving both thickness and length during penetration. In addition, its transparent design allows you to visualize the entire process in an aesthetic way.

Recommendations:

It is recommended to use lubricant to facilitate insertion and increase comfort during use. This also helps prevent any type of friction or irritation that could occur when using the sleeve for a prolonged period of time.
