Product description

The Addicted Toys Travel Size M Anal Cleanser is an ideal choice for those looking for an effective and practical product to maintain proper hygiene before or after anal stimulation. With a compact size but larger capacity (160 ml), it is perfect for those who want a larger cleanser that is still easy to take on their trip or store discreetly. Its ergonomic design ensures comfort and control during use.

Features of the Anal Cleanser:

- Overall height: 154 mm, compact size, ideal for carrying in your bag or backpack.
- Height of the bulb: 95 mm, suitable for a complete and effective cleaning.
- Width of the bulb: 69 mm, offering an optimal capacity for an efficient cleaning.
- Introduction height: 59 mm, allowing a comfortable and controlled insertion.
- Total capacity: 160 ml, enough for several applications, ideal for those who prefer more quantity.

This cleanser is Designed to provide fast and efficient cleaning, helping to maintain proper hygiene during anal practice without complications. Its practical size and capacity make it a perfect choice for those looking for a cleanser with a longer life.

Material and Design:

The cleanser is made of high quality materials, safe for the body and easy to use. Its flexible bulb allows for precise control during cleaning, while its compact size makes it ideal for those looking for an efficient product that doesn't take up much space.

Use and Pleasure:

This anal cleanser is perfect for those who want to explore anal stimulation safely and comfortably, maintaining proper hygiene before or after practice. Its ergonomic design and larger capacity make it suitable for both personal use at home and for travel.

Recommendations:

For a better experience, it is recommended to use warm water and a mild cleanser to avoid irritation. Be sure to clean the product after each use to ensure its durability and maintain good hygiene.
