Material and Design:

This cleaner is designed with a durable and resistant material, which ensures a long life even under frequent use conditions. Its compact and ergonomic design makes it an ideal choice for those looking for ease of use, while its 160 ml capacity allows for the necessary amount to perform cleaning without having to constantly replenish it.

Use and Benefits:

The Model 1 travel cleaner is ideal for keeping your sex toys clean and free of bacteria. Its compact size makes it perfect for packing when travelling, and its handy design allows for quick and effective cleaning of your sex toys, helping to keep them in excellent condition for the next use.

Recommendations:

For best results, be sure to use the cleaner properly and clean the toys after each use. This cleaner is easy to use, you just need to apply the liquid to the surface of the toy and clean it properly.
