### Product description

The Addicted Toys Model 2 Travel Cleaner is an ideal choice for those who want to keep their sex toys in perfect hygiene condition while away from home or traveling. With a practical and functional design, it offers a simple and effective way to clean your toys quickly and safely.

#### Travel Cleaner Model 2 Features:

- Overall height: 285 mm, offering a suitable size for comfortable and efficient use.
- Insertable length: 185 mm, providing the necessary reach for effective cleaning of your toys.
- Height of the bulb: 100 mm, designed for an ergonomic and easy-to-use grip.
- Thickness of the bulb: 65 mm, ensuring an adequate volume to contain the cleaning liquid.
- Thickness insertable: 27 mm, allowing a sufficient amount of liquid for cleaning your toys.
- Capacity: 160 ml, which is ideal for multiple uses during your travels or stays away from home.

#### Material and Design:

Made from durable and resistant materials, this cleaner is designed to offer you an efficient and practical cleaning experience. Its design is compact and easy to handle, making it an ideal accessory for those looking for convenience and effectiveness while traveling.

#### Use and Benefits:

This cleaner is perfect for those who need to keep their sex toys clean and free of bacteria while traveling or on the go. Its 160ml capacity is enough to perform several cleanings without having to constantly replenish it, making it ideal for maintaining good hygiene without taking up much space in your luggage.

#### Recommendations:

For best results, use the cleaner after each use of your toys and be sure to follow the manufacturer's instructions for use. This will ensure that your toys stay clean, safe and ready for their next use.
