Product description

Cleaning has never been so much fun. This system designed to be pleasant and practical at the same time, this hypoallergenic tpr enema is comfortable, easy to use and safe for beginners. It is free of ptalates, latex free and non-porous, so it is the safest sex products material on the market!

The thin, tapered tip has a spray hole to distribute the liquid evenly and separates from the pear for easy cleaning.The maximum capacity of the cleaner is 250 ml. It is perfect for him or her. Fill it with the liquid that is safe with the body you like the most and enjoy the fun in a clean way!

Before and after the fun, cleaning is very easy for both her and him with a little warm water and the waterfeel toy cleaner.

Hygiene Guide

Anal Hygiene Tips

Regular bowel movements and high-fiber diet reduce the need for douching. When you do douche, use only water – never soaps, chemicals, or stimulants.

Over-douching can disrupt natural bacteria. Limit to 2-3 times per week maximum.
