Product description

DISCOVER FUSION

Fusion is the new star of Adrien Lastic, a triple stimulation toy that will make you feel excited. melt with pleasure. The sex toy has a massager stick at one end with which you can stimulate your favorite erogenous zone, it will make you feel more comfortable. with 9 different vibration modes. Some preliminaries can never be missing.

Fusion will also stimulate your clitoris, has one end of the toy with two projections that are specially designed to stimulate your clitoris. You will reach orgasm!

In addition, the toy has one end designed for G-spot stimulation. **Fusion** has 7 intensities of pulsations to give you very intense pleasure. The movement it makes simulates the come here movement. which is done with the finger. Enjoy the incredible sensations with the triple stimulation of **Fusion**!

HOW TO USE IT?

Fusion, being a toy with so many possibilities, can stimulate you however you like using any of its three functions. At Adrien Lastic we recommend that you start with the preliminaries, with the end in the shape of a massager, perform massages in your favorite erotic areas.

When the temperature is already rise... You can now start with vaginal and clitoral stimulation. Start by applying water-based lubricant.

You will see that **Fusion** adapts to you and the clitoris stimulator fits perfectly together with the G-spot stimulator. Play with the different vibration and oscillation modes and discover what intensities are your favorites. Get ready for multi-orgasmic sensations!
