Product description

DISCOVER HITSENS 2 PINK MOTOR

Youve probably heard of Silexpan, the material from which it is made. Made **Hitsens 2** with motor, it is a hard inner core with Silexpan filling, giving it that famous double density. In addition, it gives a very soft and intimate touch, resembling a real penis.

Hitsens 2 is available Designed to give you exquisite pleasure, whether anal or vaginal. And with its extra strong suction base you can try as many positions as you want. And if that were not enough, you can also put the dildo in a harness to penetrate your partner.

HOW TO USE IT?

Before starting to use it we recommend sterilizing it with a toy cleaner. After heating or cooling the dildo, we recommend using water-based lubricant to keep your **Hitsens 2** in good condition. So Well, I know Generous when applying lubricant and you will be ready for the new experience that the Hitsens dildo offers.
