Product description

DISCOVER LASTIC STRAP-ON

At Adrien Lastic we have designed the **Lastic Strap-On** harness because we know that wearing a harness can sometimes be uncomfortable, so So we have made it as comfortable as possible. Yes, so that you can spend as many hours as your body requires in bed, enjoying a long sex session without irritation or interruptions.

The material used is a black 100% cotton denim fabric, making cleaning much more comfortable than it usually would be for this type of product. In addition, being made of cotton, it makes it more resistant, softer and more comfortable.

Lastic Strap-On has a metal ring adjustment system that makes it suitable for people with waist sizes 34 to 44. Our harness can be used with any dildo with base, which has a diameter no greater than 4.5 centimeters 1.75 inches.

HOW TO USE IT?

The **Lastic Strap-On** harness has a wide belt for the hips and two side straps for the legs that are responsible for holding the toy. The straps can be adjusted according to your needs through the rings located on the front. These rings have been specially designed to facilitate the assembly and disassembly of the harness.

This sexual accessory will have long durability with proper maintenance. The harness should be washed in cold water by hand or in the washing machine. To dry it you should not put it in the dryer, it is advisable to spread it out in the sun.
