Product description

DISCOVER MENOTTES METAL

Naughty people run the risk of being arrested. They are handcuffed in a secret location with Adrien Lastics Menottes. The punishment he will receive the prisoner will be more or less intense. It depends on who is on duty!

The soft feather handcuffs have the function of keeping your partner in the perfect submissive position, keeping her still and controlled to make her feel intense pleasure where she cannot control what. what are you doing. always with consent.

Adriens Lastic Menottes are really effective, resistant and above all safe. They are made of metal and covered with a shiny, soft-touch lining.

The handcuffs are linked by a sturdy and strong metal chain. Additionally, it includes a set of 2 keys. Submit or be subdued!

HOW TO USE IT?

Handcuffs are one of the most popular toys in BDSM and are ideal for those who are starting out in this world as well as for those who have more experience in bondage.

With Adriens Lastic handcuffs, tie your partner to the bed, so that he or she remains immobilized, always with his or her clear consent. You can also cuff your partners hands behind his back and, for example, sit in the doggy style position but without hands.

Experience the postures and level of submission and domination that you like the most! Explore new sensations.

BDSM Safety

Safety First in BDSM

Consent, communication, and safety are paramount. Our products include safety features like quick-release buckles. Never leave a restrained person unattended.

Start slow, check in often, and always have safety scissors nearby for emergency release.
