## Product description

With an ergonomic design that perfectly adapts to the male anatomy, **PULSATION** redefines sensory pleasure. Equipped with two ultra-quiet motors, this prostate massager offers intense and versatile vibrations, completely controlled remotely thanks to its advanced APP-compatible technology.

Made of ultra-soft, phthalate-free silicone, it guarantees not only comfort, but also total safety. Its IPX7 waterproof finish invites you to explore new horizons, whether in or out of the water.

With 9 manual vibration modes and the same amount available through the APP, the possibilities are endless. Easily recharge its 300 mAh battery via magnetic USB, ensuring up to 70 minutes of uninterrupted pleasure after just 140 minutes of charging.

Small but powerful, with compact dimensions (129 mm height, 109 mm length and a maximum diameter of 40 mm), PULSATION is the perfect companion for a discreet, portable and exciting experience.

Discover the perfect balance between design, technology and pleasure. Dare to experience more with PULSATION!
