### Product description

Meet **Smart Dream 3 + App**, the "U" that gives you total control through its great application!

Imagine a toy that not only has a super comfortable design, but also offers a double dose of pleasure: one internal for the G-spot and another external for the clitoris. It's like having the best combo in one toy!

This smart egg, made with soft and skin-friendly silicone, has such a silky touch that you are going to love it. In addition, its two powerful and silent motors are designed to make even the most demanding users smile.

The most fun thing is that you can shape the vibrations of both motors to your liking through the Adrien Lastic APP. Yes, you have complete control in the palm of your hand! And the most incredible thing is that there is no distance that separates you from sharing this experience with your partner. Distance is no longer a problem!

Like this That, whether you are alone or in good company, **Smart Dream 3** makes every moment unforgettable. Get ready for a pleasure experience that redefines fun!
