Product description

DISCOVER TOY CLEANER

It is very important to keep your sex toys clean and free of bacteria if you want them to work as long as they are supposed to. Well, good sex toy hygiene is as important for you as it is for the toy.

By keeping the sex toy clean you can avoid diseases, and you also prevent the toy from deteriorating prematurely.

HOW TO USE IT?

To be as efficient as possible when cleaning your sex toys, at Adrien Lastic we recommend using warm water and our Toy Cleaner.

It is as simple as applying the amount of **Toy Cleaner** that you think is necessary to the toy and with a little warm water rub the toy with your hands. Once you see that the smell of the The toy is nice and has no stains, it means it is clean. completely clean, so that rinse and let dry. It will be ready to store or... For a second round!
