Product description

Get Lucky is a dice with six different Kamasutra positions and is a fascinating accessory designed to add an element of surprise and adventure to the couples intimacy.

Inspired by the ancient art of Kamasutra, this die offers a playful and exciting way to explore different sexual positions, encouraging creativity and erotic connection between participants.

Each face of the die is marked with an illustration representative of a specific Kamasutra position. These positions are known for their diversity and sensuality, ranging from the softest and most romantic positions to the most passionate and daring ones. Rolling the dice determines the position the couple will explore, creating a sense of anticipation and excitement.

The variety of positions available on the dice allows couples to experiment with different levels of intimacy and discover new ways of physical connection. From positions that encourage visual intimacy and close contact to those that explore passion and physical energy, the Kamasutra position die offers a diverse range of options to suit individual tastes and preferences.

Game Guide

How to Choose a Couples Game

Consider your relationship stage and openness. Romantic games focus on conversation and connection. Spicier games include physical challenges and intimate tasks. Many games have multiple difficulty levels.
