Price	**18.66 £**
Number	**70136460**
Producer code	**FETISHID-237140**
EAN	**8433345337456**

Product description

Nutty is a vibrating cockring. With its elastic ring, strengthen your erection and achieve climax. It is easy to clean and very resistant.

A vibrating penis ring is a sexual accessory designed to provide additional pleasure to both the person wearing it and their partner. Made from body-safe materials, this device is placed around the base of the penis or the penis and testicles. Its main distinguishing feature is the presence of a small built-in vibrating motor.

The main purpose of the vibrating ring is to intensify the sexual experience for both parties. When placed at the base of the penis, it helps maintain a firmer erection and may delay ejaculation by restricting blood flow, which can be beneficial for those looking to improve their sexual stamina. Additionally, the vibration provides additional stimulation for both the wearer and the partner, creating a more intense and pleasurable shared experience.

It is important to note that, as with any sex toy, the manufacturers instructions must be followed to ensure safe and pleasurable use. Additionally, open communication with your partner is essential to ensure that you are both comfortable and enjoying the experience.

Care and Cleaning: Proper care and cleaning are essential to ensure durability and hygiene. Most of these toys are easy to clean with warm water and mild soap, and some models are even waterproof, making cleanup even easier.

FEATURES:

- Color: Dark blue
- Dimensions: Height 5.9 cm / Width 4.35 cm / Hole diameter 3.18 cm
- Number of functions: 1
- Number of engines: 1
- Waterproofing: Splash-proof-IPX2
