Product description

Quiver , is A vibrating suction cup with a built-in clitoral stimulator is an advanced sex toy designed to provide people with a multifaceted and highly pleasurable intimate experience. This device combines multiple functions to simultaneously stimulate the clitoris and uses suction technology to intensify sensation.

This vibrator is typically ergonomically designed, with a curved shape. The material used is body-safe, and the surface is soft to the touch for comfortable insertion.

This feature uses suction technology to create vacuum pulsations around the clitoris, simulating the sensation of sucking. This innovative technique is known for providing unique and highly pleasurable stimulation that can lead to more intense orgasms.

Vibrator controls are typically intuitive, allowing users to adjust the intensity of the vibration and clitoral suction to their individual preferences. Water resistance is another common feature, allowing for use in the shower or bathtub.

As with any sex toy, it's essential to follow the manufacturer's instructions to ensure safe and pleasurable use. The use of water-based lubricants is recommended to improve comfort during insertion and stimulation.

Care and Cleaning : Proper care and cleaning are essential to ensure durability and hygiene. Proper cleaning before and after each use is essential to maintain sexual health and prevent possible infections.
