Product description

RoMAX, is a silent, waterproof rabbit vibrator made of skin-friendly silicone. Rechargeable vibrating and thrusting massager with heating function.

Its elegant and ergonomic shape incorporates a Rabbit type design, which consists of an appendage designed to stimulate the clitoris, while the main part is responsible for stimulation vaginal. Skin-friendly silicone provides a silky soft feel to the touch, making it easy to insert and maximizing comfort during use.

The most notable feature of this Rabbit vibrator is its ability to operate silently, allowing for a discreet and private intimate experience. This is ideal for those who value privacy and want to enjoy their toy without worrying about unnecessary noise.

In addition to dual clitoral stimulation and vaginal penetration, this Rabbit vibrator also features a heating function. This innovative feature allows the toy to reach a comfortable temperature similar to that of the human body, adding a sense of realism and additional comfort during use.

The thrusting feature, also included in this vibrator, adds another dimension to the experience. By replicating the thrusting motion, this toy can provide a more realistic and satisfying sensation, simulating human movement for more complete stimulation.

Water resistance is another key feature, making this vibrator suitable for use in the shower or bath, expanding the possibilities for intimate exploration and making it easy to clean up afterward. s of each use.

Care and Cleaning: Proper care and cleaning are essential to ensure durability and hygiene. Proper cleaning before and after each use is essential to maintain sexual health and prevent possible infections.
