Product description

Everyone’s gotta let loose sometime, but why waste your time on apps just for the other guy to cancel at the last minute? Bring it closer to home with the Hook Up masturbator. With its sleek design, the Hook Up is comfortable to hold and will mimic the best blowjob you’ve ever had. With a height of 17 cm, this toy can take what you’re packing and make you feel incredible. And who knows? Snap a few pics of yourself using it (feel free to share), and maybe that guy who cancelled will feel some competition.

- Like all our toys, our masturbators are made in Belgium from a safe, phthalate-free material.
