Product description

There’s something sexy about a toy that knows its business, and the Chub definitely does. Its exterior is completely smooth, designed for an easy, no-frills grip. The inside is ridged from top to bottom, meaning that your cock is going to feel incredible and you go to town on it. At a height of 17 cm, and with a soft, realistic texture, this toy is a fantastic choice for a regular user.

- Like all our toys, our masturbators are made in Belgium from a safe, phthalate-free material.
