### Product description

Take that pretty boy for a spin! The Twink masturbator has a sleek spiral design, made to be easily gripped and held onto without losing comfort or control. Sounds familiar. The Twink's inner ribbing will provide extra stimulation, so you can get the most out of your tight new fucktoy. At 17 cm long, the Twink can take the pounding you throw his way and keep asking for more. Just be nice... but not too nice.

- Like all our toys, our masturbators are made in Belgium from a safe, phthalate-free material.
