Product description

Embark on a sensory experience with our Praline-scented massage candles. Rocher. Creating the perfect environment for intimacy has never been so enjoyable. When you light the candle, you will immerse yourself not only in its captivating fragrance, but also in the transformation of the wax into an exquisite oil, ready to give you the massage of your dreams.

These handmade candles are not only romantic, but they can also be the perfect introduction to foreplay, offering high-quality intimate moments. Discover the magical effects that these candles bring to your daily routine and choose the aroma that best suits the environment you want to create.

As for the composition, our candles incorporate Soybean Oil, recognized in numerous skin care products due to its notable benefits:

- Protects the skin by neutralizing environmental pollutants.
- Contains high concentrations of genistein, vitamin E, essential fatty acids (EFAs) and lecithin, creating a solid antioxidant defense.
- Soybean oil, rich in vitamin E, acts as an anti-inflammatory nutrient.
- Offers moisturizing and regenerating properties.
- In general, it improves the quality and appearance of the skin.

Additionally, it contains glyceryl stearate, which provides the following properties:

- Helps maintain the moisture balance essential for skin health, reducing water loss.
- Acts as a lubricant on the skin surface, providing a soft and smooth appearance.

FEATURES:

- Weight: 30 gr.
