## Product description

Discover the magic of our **Amoréane** and its exciting properties that can make you feel vibration in your most intimate moments thanks to its natural formula that uses active extracts of plants from the Amazon rainforest.

THE **Amoréane** vibrating gel is responsible for providing a powerful vibration effect on the vulva, the penis, or even the lips when performing oral sex.

In addition, it increases the sensitivity of the area, making both caresses and orgasms feel more intense. The power of the vibrant sensations of this stimulating gel is accompanied by an exquisite strawberry flavor.

Its use is very simple, just apply a drop of the gel to the clitoris, glans or lips for oral sex and perform a small massage. After a few seconds you will begin to feel a tingling sensation that in a few minutes will transform into a tingling sensation. in a pleasant vibration.

Enjoy it! The effect will last Approximately 5 minutes.
