Product description

Our best-selling **Ass-Gasm Cockring** is now available as a powerful vibrating version! Enjoy the most explosive ejaculations ever with the **Ass-Gasm Cockring Vibrating Plug.**

Made entirely from our silky-smooth Elite Silicone, this wearable plug doubles as a performance-enhancing cockring, allowing the wearer to prolong ejaculation and extend the fun while enjoying incredible prostate stimulation. The key to anal play is to take it slow! Attempting anal penetration before you are properly aroused can be unpleasant, so allow yourself to relax in order to enjoy the experience.

Finger play is a great way to relax the anus. The anus and rectum do not have a natural lubricating system like the vagina, so use plenty of Moist® Anal Lube to reduce friction and increase pleasure. With the **Ass-Gasm** in your ass and the ring wrapped snug around your cock, you'll stay harder and stronger than ever before! The super-stretchy silicone ring puts the squeeze on performance letdowns, maintaining firm erections that last and last!

The round, smooth head makes entry and retrieval a snap, while the thin, tapered shaft ensures the plug will stay in place between your cheeks when the action heats up. Place the ring around the base of your cock and balls and wear it all day for long-lasting fun and huge, powerful ejaculations! With the push of a button, the powerful bullet delivers incredible vibrations right where you want them most.

Try it in the shower or spa to turn bath time into pleasure time! Our ultra-hygienic Elite Silicone is super flexible. Cleanup is a snap after the fun with Refresh® Toy Cleaner and warm water
