If you've never tried anal play, the Remote Control Silicone Plug is just what you need to explore the wonderful world of anal stimulation. The Remote Control Silicone Plug features a conical shape that hits the right spot and features a tapered tip for easy entry, while the silent motor delivers mind-blowing vibrations directly to your most sensitive spot.

Use the wireless remote control to power the vibrator on and off. Press the button with the wave drawing to cycle through its twenty single-press patterns. Use the buttons on the remote control to change between four powerful speeds that take you from a gentle pulse to a whirlwind of vibration.

- The base ensures that it doesn't slide too far inside you.

Our Elite silicone is phthalate-free, hypoallergenic, and can be worn all day for long-lasting fun. Cleaning is a must after the fun with the Pipedream toy Cleaner and warm water.

Reaching orgasm through anal stimulation is incredibly exciting thanks to the high concentration of nerve endings and our Anal Fantasy Collection that includes toys that stimulate each of those nerves.
