Product description

The Armony brand **"Fully Finger"** vibrator is a masterpiece of sexual technology designed to provide incomparable pleasure and satisfaction. With a sleek and ergonomic design, this vibrator is made of high-quality silicone in a vibrant purple color, which is not only attractive to look at, but is also body-safe and soft to the touch.

With a length of 8.27 inches and a diameter of 1.77 inches, the Fully Finger is compact enough for easy handling, but powerful enough to provide intense sensations. Its discreet design makes it ideal for use alone or as a couple.

One of the standout features of this vibrator is its water resistance, meaning you can take your sexual adventures into the bath or shower without worry. Plus, it's rechargeable, eliminating the need to worry about batteries. The included USB charging cable ensures convenient charging anywhere a USB port is available.

The Fully Finger offers an impressive array of 36 vibration patterns, allowing you to experience a wide range of sensations to suit your desires and needs at any given moment. But that's not all: this vibrator also has a heating function that adds an extra touch of sensuality and realism to your intimate encounters.

Whether you're looking for a gentle, sensual experience or intense, powerful stimulation, the Fully Finger is designed to satisfy your deepest sexual longings. Discover a new world of pleasure with this high-quality vibrator that combines cutting-edge technology with an elegant and functional design.
