Product description

The Armony brand **"Kitty"** couples vibrator is an innovative addition to shared intimacy, designed to elevate the sensual experience with your partner. With a sleek design and a range of impressive features, the Kitty is more than just a toy - it's a tool for exploring new dimensions of pleasure together.

With its 7 vibration modes, this vibrator offers a wide variety of sensations to satisfy all tastes and desires. From gentle pulsations to intense vibrations, each mode is designed to uniquely stimulate and arouse, providing a personalized experience for each user.

Equipped with two powerful motors, the Kitty offers simultaneous internal and external stimulation, ensuring complete and balanced pleasure for both partners. The motors are strategically placed to direct vibrations to the most sensitive areas, guaranteeing optimal stimulation and explosive results.

For added convenience and control, the Kitty comes with a wireless remote control, allowing you to easily adjust the vibration settings without interrupting the intimate moment. This feature facilitates experimentation and play as a couple, allowing both participants to fully enjoy the pleasure without distractions.

The Kitty is made from high quality materials to ensure a safe and enjoyable experience. Its combination of silicone and ABS provides a soft-touch texture, while its ergonomic design ensures a comfortable fit and easy insertion. In addition, its attractive violet color adds a touch of elegance and sensuality to the experience.

Measuring 10 cm in length and 4 cm in diameter, the Kitty is compact enough to be discreet and portable, but powerful enough to offer intense and satisfying sensations. Whether adding a touch of excitement to everyday intimacy or exploring new frontiers of pleasure as a couple, the Armony "Kitty" vibrator promises an unparalleled sensual experience.
