Product description

The 17 cm **realistic dildo** from the Armony brand is a masterpiece of sensuality and personal satisfaction. Meticulously designed to deliver supreme pleasure, this toy is made from high-quality liquid silicone material, which is soft to the touch but firm enough for an exciting play experience.

Measuring 17 cm long and 3.5 cm in diameter, this dildo is the perfect size to stimulate both the internal and external sensitive points of the body. Its 435g weight makes it feel substantial in the hand, providing a feeling of fullness that adds depth to the experience.

The realistic design of the Armony dildo is carefully detailed, with a veiny texture and a pronounced glans that impressively mimics the male anatomy. Every detail, from the veins to the curved shape, is designed to maximize stimulation and pleasure.

In addition to its realistic appearance, this dildo also offers a realistic feel. The liquid silicone material is flexible and conformable, allowing for a soft, comfortable insertion while conforming to the contours of the body. Plus, it's easy to clean and compatible with water-based lubricants, making it easy to use and maintain.

Whether you're exploring your most intimate fantasies alone or enjoying erotic play with a partner, Armony's 17cm realistic dildo is designed to take your pleasure experiences to the next level. With its exceptional quality and meticulous design, this toy invites you to explore new frontiers of sexual satisfaction.
