Product description

The 13 cm **realistic dildo** from the Armony brand is an exceptional piece designed to provide a sensual and rewarding experience. Made from a high-quality liquid silicone material, this dildo offers a silky soft feel to the touch, mimicking the texture and warmth of human skin for a truly realistic experience.

With dimensions of 16 cm in length and 3 cm in width, this dildo is perfect for those looking for comfortable and satisfactory penetration. Its weight of 330g makes it light enough to handle with ease, but solid enough to provide a feeling of fullness.

The detailed design of this realistic dildo from Armony includes realistic anatomical features, such as prominent veins and a pronounced head, for even more intense stimulation. Its ergonomic and curved shape adapts perfectly to the anatomy of the body, allowing for a smooth and comfortable insertion.

In addition to its authentic look and feel, this dildo is also body safe, containing no phthalates or harmful chemicals, ensuring a worry-free intimate experience.

Whether exploring alone or enjoying as a couple, Armony's 13cm realistic dildo offers a satisfying and exciting sexual experience, taking pleasure to new levels of intensity and satisfaction.
