Product description

The Armony Realistic Remote Control Vibrator is the perfect combination of innovation and realism to satisfy your deepest desires. With its 12 vibration and rotation patterns, it offers a unique and exciting experience every time you use it.

Made with high-quality materials, this dildo is made of TPE (thermoplastic elastomer) and ABS (acrylonitrile butadiene styrene), ensuring a soft touch and exceptional durability. The combination of these materials provides a realistic texture that will make you want to feel it. Feel as if you're experiencing the sensation of human touch.

Measuring 22 cm long and 4 cm wide, this realistic vibrator is the perfect size to satisfy your most intimate needs. Its ergonomic design fits comfortably with the body's anatomy, allowing you to explore new sensations of pleasure safely and comfortably.

The included remote control allows you to easily adjust the different vibration and rotation patterns, giving you complete control over your sensual experience. Whether you prefer gentle, steady stimulation or intense, pulsating stimulation, this realistic vibrator offers a wide variety of options to explore and enjoy.

In short, the Armony Remote Control Realistic Vibrator is the perfect companion for your intimate moments, offering you an unparalleled sensual experience with its combination of realism, versatility, and power.
