Product description

Did you know that the anal area has such a high concentration of nerve endings that even the smallest plug can feel amazing? The B fill Basic Plus massage plug was designed with this in mind.

Expertly defined contours, a flared base, and 100% body-safe (and soft) silicone make play as exciting as it is safe. It's also a non-motorized plug, getting its vibrations from a free-floating weight inside, providing the most exciting thrill. And because no batteries are required, cleanup is quick and easy.
