Product description

It is an excellent TPR MASTURBADOR in the shape of a delicious mouth, with which you can get the real sensation of fellatio since it is made with the new material that gives it an excellent touch.

- The heat of your penis and your hand when using it will heat the masturbator until it reaches the ideal temperature and feels completely natural.
- It adapts perfectly to any size penis while maintaining pressure due to its stretchability.
- Increase sensitivity and facilitate sliding using water-based lubricant.

Good companion as an assistant to masturbation.

Now the pleasure is in our hands!!
