Product description

Enjoy the feast of pushing and rotating! The vibrator with cutting-edge technology for realistic sensations! This realistic vibrator stands out with its extraordinarily intense rotating thrusting and vibration functions in 7 modes. It feels almost like the real thing due to its realistic and pronounced glans, veins and testicles. The suction cup makes hands-free pleasure possible. All functions can be easily controlled using a remote control. Rechargeable: includes a USB cable.

Characteristics :

- Brown color
- Function: Seven vibration functions, with seven rotation functions
- Remote control
- USB rechargeable
- suction base
