Product description

Another fantastic dildo from our range of realistic sex toys made from realistic TPR material. This super realistic dildo has a textured shaft with veins and a generous head for additional sensations and is hand finished for additional realism. A great dildo that includes a suction cup at the base for the most incredible solo rides. It is a beast!

- Super soft TPR realistic skin material
- Flexible and soft
- strong suction cup
- Measurements: 220mm x 47mm
- Realistic dildo
- strong suction cup
- Use with a lubricant for intense pleasure and satisfaction (we recommend using Waterfeel for a better experience)
