Product description

It is an ideal harness for couples where both experience stimulating sensations in the game, since it has 2 dildos for double penetration, its soft and natural touch, since it is manufactured with the latest technology in TPR material.

- Its adjustable and wide strap prevents it from digging into the waist, making it comfortable to use.
- It has a way to stimulate the G-spot and it also has a small penis to achieve double penetration
- Designed specifically for women who want to perform penetrations, on men or women alike.
- Includes triangular panties with wide double straps at the back, which improves fixation to your body.
- Ideal for lesbian and bisexual penetrations.

The dildo can be used individually by removing it from the anchoring system.
