Product description

The fantasy kit includes seven magnificent items to achieve unimaginable pleasure

Its silver vibrator with its covers will satisfy you deeply, try its translucent dildo to get real fun. Place the textured cock ring over your penis and rub it against your partner's clitoris so they can enjoy the rhythm of its vibrations. The graduated anal chain will provide you with different fun so you can experiment both anally and vaginally.

Everything you need for a real sexual experience.

- Seven piece kit
