Product description

It is a new high-tech vibrator made of soft GELATIN with multiple uses.

It is waterproof, so you can also use it in the shower.

- Due to its size, it is ideal for use in both vaginal and anal penetrations.
- It incorporates a revolutionary vibrator with electronic control of both speed, oscillation and rotation.
- Up to 12 different possibilities of use: Low, medium, high, incremental speed, impulses, super speed, etc., all in combination with the internal rotating beads that will make you go crazy with pleasure.
- As a novelty, the upper part of the vibrator oscillates on itself, achieving an authentic sensation of real penetration and has silicone points in the material to promote stimulation.

In addition, it also incorporates another vibrator specifically indicated to stimulate the clitoris through a design that simulates a soft tongue.

With this exclusive toy you will be able to experience pleasures that you have never even dreamed of, it is truly incredible.

It works with 3 LR03/AAA batteries that you can find in the Batteries section.

Includes sample of cleaning and conservation material.

Measurements: 23 cm. x 3.5 cm.
